

100% ARONIA

get a berry boost

*Vertically
Integrated*

Milne MicroDried® Aronia Berry is a nutrient and antioxidant dense super fruit, native to North America. It has an earthy, sweet-tart taste that can serve as a “base” flavor in new product development. The flavor of Aronia compliments other fruit ingredients and can be enhanced with the addition of herbs, spices or something sour (like vinegar or citrus juice). Milne MicroDried® Aronia is 100% vertically integrated, grown on our own farms in eastern Washington, guaranteeing you a secure supply with competitive pricing. Aronia checks all the boxes for the next big trend – functional, cost effective, non-GMO, organic/conventional, different formats, short-lead time, secure supply, low minimums. Take advantage of the immunity boost provided by Aronia and try some today.

Storage: Less than 70° F (21° C) and 50% RH; for optimal flowability store at or below refrigeration temp (<50° F)

Shelf Life: Two years from date of pack under recommended storage conditions in unopened containers

Packaging: Packed in a 48 gauge metalized PET bag inside a double build corrugated box

Anthocyanin Level Comparison

- Non-GMO
- No added ingredients
- Naturally nutrient dense
- Allergen & Gluten Free
- Low water activity
- Low micros
- Ready-to-eat
- Easy to use
