

# Apple

**MicroDried® Apples** offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our apples maintain their pristine quality, ensuring robust nutrition, great color, intact cell structure, and rich flavor.

**Clean Ingredient Statement:** MicroDried Apples are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

**Nutrient Rich:** Thanks to the REV process, MicroDried Apples retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

**Versatility:** Whether you need apple powder for even flavor distribution, apple fragments for distinctive piece identity, or apple slices for unique texture and visual appeal, MicroDried offers versatile apple products suitable for various applications.

**Powder**

**Fragment**

**Whole**

MicroDried Apples are certified Ready-to-Eat and seamlessly integrate into a variety of applications including baked goods, snack/nutrition bars, dairy, beverages, baby food, pet food and more.

**Maple Pecan Apple Shortbread**
