

# Banana

**MicroDried® Bananas** offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our bananas maintain their distinct aroma, hearty nutrition, intact cell structure, and rich flavor.

**Clean Ingredient Statement:** MicroDried Bananas are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

**Nutrient Rich:** Thanks to the REV process, MicroDried Bananas retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

**Versatility:** Whether you need banana powder for even flavor distribution, banana fragments for distinctive piece identity, or banana slices for unique texture and visual appeal, MicroDried offers versatile banana products suitable for various applications.
