

# Cranberry

**MicroDried® Cranberries** offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our cranberries maintain their pristine quality, ensuring robust nutrition, great color, intact cell structure, and distinct tart flavor.

**Clean Ingredient Statement:** MicroDried Cranberries are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

**Nutrient Rich:** Thanks to the REV process, MicroDried Cranberries retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

**Versatility:** MicroDried offers a variety of cranberry products suitable for various applications, whether you need cranberry powder to distribute flavor evenly, cranberry fragments to distinguish pieces, or whole/sliced cranberries to add texture and visual interest.
