

Aronia

MicroDried® Aronia offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our Aronia maintain their pristine quality, ensuring robust nutrition, great color, intact cell structure, and sweet-tart flavor.

Clean Ingredient Statement: MicroDried Aronia are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

Nutrient Rich: Thanks to the REV process, MicroDried Aronia retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

Versatility: Whether you need aronia powder for even flavor distribution, aronia fragments for distinctive piece identity, or whole aronia for unique texture and visual appeal, MicroDried offers versatile products suitable for various applications.
