

MicroDried® Mangoes offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our mangoes maintain their pristine quality, ensuring robust nutrition, great color, intact cell structure, and distinct sweet flavor.

Clean Ingredient Statement: MicroDried Mangoes are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

Nutrient Rich: Thanks to the REV process, MicroDried Mangoes retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

Versatility: Whether you need mango powder for even flavor distribution, mango fragments for distinctive piece identity, or mango chunks for unique texture and visual appeal, MicroDried offers versatile products suitable for various applications.
