

Pineapple

MicroDried® Pineapples offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our pineapples maintain their pristine quality, ensuring robust nutrition, great color, intact cell structure, and distinct sweet flavor.

Clean Ingredient Statement: MicroDried Pineapples are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

Nutrient Rich: Thanks to the REV process, MicroDried Pineapples retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

Versatility: Whether you need pineapple powder for even flavor distribution, pineapple fragments for distinctive piece identity, or pineapple chunks for unique texture and visual appeal, MicroDried offers versatile products suitable for various applications.
