

MicroDried® Strawberries offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our Strawberries maintain their pristine quality, ensuring robust nutrition, great color, intact cell structure, and distinct sweet and tangy flavor.

Clean Ingredient Statement: MicroDried Strawberries are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

Nutrient Rich: Thanks to the REV process, MicroDried Strawberries retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

Versatility: Whether you need strawberry powder for even flavor distribution, strawberry fragments for distinctive piece identity, or sliced strawberry for unique texture and visual appeal, MicroDried offers versatile products suitable for various applications.
