

Zucchini

MicroDried® Zucchini offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our Zucchini maintain their pristine quality, ensuring robust nutrition, great color, intact cell structure, and mild sweet flavor.

Clean Ingredient Statement: MicroDried Zucchini are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

Nutrient Rich: Thanks to the REV process, MicroDried Zucchini retain their high nutritional content, preserving essential vitamins and minerals, adding value to a wide range of applications.

Versatility: Whether you need zucchini powder for even flavor distribution, zucchini fragments for distinctive piece identity, or sliced zucchini for unique texture and visual appeal, MicroDried offers versatile products suitable for various applications.
